

HEALTH CARE

Our attorneys have broad experience in health care business transactions, trial advocacy and regulatory compliance, as well as an in-depth understanding of the health care industry and current trends. In litigation matters, we vigorously defend clients in cases involving medical malpractice, regulatory agency and enforcement actions, medical staff matters and commercial disputes. Importantly, our unique perspective allows us to counsel our clients in establishing risk management and compliance programs designed to avoid litigation while furthering our clients' missions and successes.

We regularly work with health care clients in the following areas:

Medical Professional Liability

- Strategic litigation defense of medical malpractice claims and lawsuits
- Alternative dispute resolution (ADR)
- Witness Support Preparation
- Non-party deposition representation

Enterprise

- Patient safety issues
- Investigations of Serious Events
- Government investigations and enforcement actions

Regulatory

- Federal/state regulatory compliance and licensing
- False Claims Act liability
- Stark Law and Anti-Kickback Statute compliance
- Medicare, Medicaid and third-party payer contracting and compliance
- Affordable Care Act initiatives including accountable care organizations, medical homes, bundled payments and other alternative payment arrangements
- HIPAA/HITECH compliance

Transactional

- Joint ventures, mergers and acquisitions, sales of practices
- Real estate and leasing transactions
- Physician buy-in and buy-out
- Employee stock ownership plans (ESOPs)
- Other healthcare business transactions

Operational

- Medical staff privileges and disputes
- Labor, employment and immigration matters
- Intellectual property and IT system licensing
- General contracting
